Standard edition, as further amended.
In addition to resurfacing, Patching and Leveling are included in the Scope of Work. Leveling and Resurfacing of roadway will be done by using Recycled Asphalt Concrete 4.75 MM Mix, GP 1 or 2, including Bituminous Material and H Lime per GADOT specification. Thickness for Leveling will be 1/2" of mix to make roadway uniform and 3/4" of mix for resurfacing. A 0.05 - 0.15 Gallons per square yard Bituminous Tack Coat will be applied to existing asphalt pavement before leveling course is used. Once resurfacing is complete a 5" Solid Yellow Traffic Stripe will be along the centerline of Stanley Road and a 5" Solid White Traffic Stripe will be applied to edge of pavement along south side of Stanley Road adjacent to existing ditch.

Patching Areas along both roads will be done by using 6" Graded Aggregate Base (GAB) and 3" Asphalt Pavement Type "B" Binder. These areas will be topped by leveling and resurfacing course. Stanley Road has one (1) - 10' x 16' area to patch at storm crossing near Gregory Lane. Elvina Court has four (4) areas to patch: (1) - 6' x 8' area midway down Elvina Court; (1) - 8' x 25' area and (1) - 4' x 4' area both in the cul-de-sac of Elvina Court; (1) - 1' x 80' area that needs to be cut out and patched adjacent to curb line along Elvina Court beginning at Paul Thomas Drive. All patching areas will be located and marked by the City.

It is understood that the quantities referenced in the Scope of Work are approximate only and Contractor is responsible for verification of measurements. Existing grades and the crown of the roadway are to be maintained. The existing curb and gutter will remain and not be demolished. Contractor is responsible for replacement of any damaged curb and gutter due to pavement resurfacing operations at no cost to Owner. Resurfaced roadway shall be feathered down at curb and gutter along Stanley Road and Elvina Court. Traffic Safety devices such as signage, barricades, etc., and the protection of the public-at-large, and Contractor's personnel is part of this Contract and the Contractor's sole responsibility. Contractor must maintain one lane open at all times and provide access to all driveways and intersections.

There will be a Pre-Bid Conference at Dacula City Hall, 442 Harbans Road, Dacula, GA 30019 at 2:00 PM local time on July 13, 2010.

All bidders are strongly encouraged to attend this conference.

Sealed bids for this project will be accepted until 3:30 p.m. local time, July 21, 2010 and read aloud at 3:40 PM at the Dacula City Hall located at 442 Harbans Road in Dacula, Georgia. Any Bids received after the above time is called will not be accepted. Bidding documents may be obtained at the Dacula City Hall. section of Broad Street and
Second Avenue with the spe-
cific tie-in point designated
on the attached Construction
Drawings and will extend to
the intersection of Dacula
Road. The existing pavement
on the east side of Broad
Street will be saw cut,
demolished and removed to
form a straight edge for
butting the new curb & gutter
as dimensioned on the
attached Construction Draw-
ings. The existing sidewalk
will be demolished and
removed. New Curb & Gutter
will be installed along the
east side of Broad Street
with new sidewalk butting
the back of curb. Existing
driveways will be maintained
with new handicap ramps
making the transition from
the new sidewalk across the
existing driveways. Existing
cross drains underneath dri-
veways are to be cleaned out
and minor grading per-
formed at each end to allow
for positive drainage through
the existing pipes. A new
concrete flume section is
proposed at the low point
near Station 3+00 to drain
stormwater from the curb &
gutter into the existing ditch.
All concrete for Curb & Gut-
ter and Sidewalks shall be
poured at different intervals,
single monolithic pours shall
not be allowed.

Included in the scope of
work is intersection
improvements to the end of
Broad Street at Dacula Road
to accommodate bus traffic
turning right onto Dacula
Road. The east side of Broad
Street will be widened to
include a right hand turn
lane. ADA improvements
include crosswalk, handicap
ramp and island changes at
the intersection. Traffic safe-
ty devices such as signage,
barricades, etc., and the pro-
tection of the public-at-large,
and Contractor's personnel
is part of this contract and
the Contractor's sole respon-
sibility. Contractor must
maintain one lane open at all
times and provide access to
all driveways and intersec-
tions. This description of the
scope of work does not iden-
tify all items of work. Con-
tractor shall reference the
attached Construction Draw-
ings and Specifications for a
complete Scope of Work
when bidding the project.

There will be a Pre-Bid
Conference at Dacula City
Hall, 442 Harbors Road, Dacu-
la, GA 30019 at 3:30 PM
local time on July 13, 2010.
All bidders are strongly
encouraged to attend this
conference.

Sealed bids for this project
will be accepted until 2:00
p.m. local time, July 21,
2010 and read aloud at 2:10
PM at the Dacula City Hall
located at 442 Harbors Road

their claims to the Court; and

In accordance with the
provisions of the Official Code
of Georgia Annotated, the
Petitioner-Condempnor has
prayed the Court for immedi-
ate possession of said prop-
erty, and all persons having
any interest in or claim
against such property, as
above set forth, are required
by the Order of the Judge of
said Court to surrender pos-
session of the property to
Gwinnett County immediat-
ly upon the filing of the Decla-
ration of Taking.

That in accordance with the
Official Code of Georgia
Annotated, Section 32-3-13
thru 32-3-19, if the owner, or
any of the owners, or any
person having a claim
against or interest in said
property, shall be dissatis-
